FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §133.20 sets out medical bill submission procedures for health care providers.
3. 28 Texas Administrative Code §102.4 establishes rules for non-Commission communications.
4. Texas Labor Code §408.027 sets out provisions related to payment of health care providers.
5. Texas Labor Code §408.0272 provides certain exceptions for untimely submission of a medical bill.
6. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - 29 – The time limit for filing has expired.

Issues

1. What is the timely filing deadline applicable to the medical bills for the disputed services?

Findings

1. The requestor is seeking reimbursement in the amount of \$305.49 for pharmacy services provided on May 19, 2017.

The insurance carrier denied the disputed services with claim adjustment reason codes: 29 – “The time limit for filing has expired.”

28 Texas Administrative Code §133.20(b) requires that, except as provided in Labor Code §408.0272, “a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided.”

Review of the submitted documentation finds a “Fax Tx Report” with “St. Time 08/30 13: 33.”

28 Texas Administrative Code §102.4(h) provides that:

Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on:

- (1) the date received, if sent by fax, personal delivery or electronic transmission or,
- (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday.

The date of August 30, 2017 is past the 95th day after the date the service was provided (May 19, 2017). No other documentation was found to support timely submission of the service in dispute. Therefore, the carrier’s denial is supported.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
